

# Weekly Revision Planner 2024

Mon	Tue	Wed	Thu	Fri	Weekend

Guidance:

Split your subjects up over the week, so that you cover all of them. You have 12 slots over the week and should aim to fill 11 of them in order to cover all your subjects.

1 x English Language    1 x English Literature    2 x Maths    3 x Science (one per Science subject)    1 x French or Spanish    1 x History / Geography  
1 x Option Subject A    1 x Option Subject B.

Each 'chunk' of your revision planner should be used to complete the work from your revision schedule ready for the following week.
